

**A LIBRARY FRIEND  
IS A TRUE FRIEND IN *DEED***

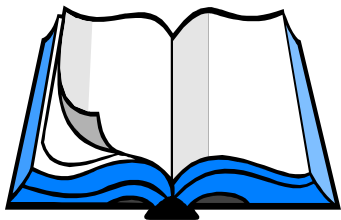

## **Please Join Us ...**

We're the Friends of the Paterson Library. Since 1974, our dues and proceeds from fund-raising activities have provided the Paterson Free Public Library with much-needed equipment, materials and programs.

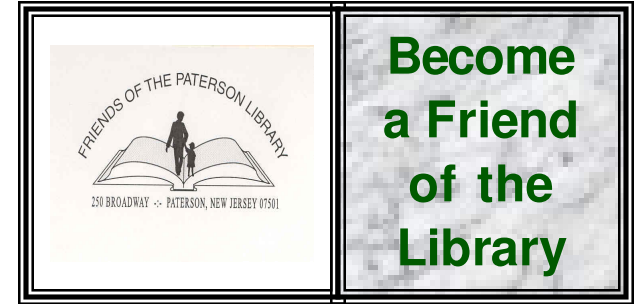

Our voice has been heard on the library's behalf at City Council budget meetings... but we need many more Friends to stand with us.

Your membership will help this important public institution to do a better job of serving the community.
